OFFICE OF STATE UNIFORM PAYROLL MEMORANDUM #2011-03

TO: All ISIS HR Agencies

FROM: Andrea P. Hubbard
Director

SUBJECT: Statewide Vendor Product Enhancement Approvals

The Office of State Uniform Payroll (OSUP) is responsible for the administration of the rules governing state employee payroll deductions. Products that are authorized through OSUP are for all state employees and all state agencies of the executive branch of state government as defined under R.S. 36:4. An **exception** to this is higher education facilities overseen by a Governing Board. The Governing Board has the authority to approve additional products or remove any product per the boards' established policies.

Per the payroll deduction rule, enhancements to policies occur when a vendor broadens an existing, solicited policy's benefits/coverage. The existing solicited policy will be replaced by the enhanced policy and will no longer be solicited. **Current policyholders may choose to keep the existing policy or convert to the enhanced policy**; however, new policyholders must purchase the enhanced policy.

The following enhancements have been approved for the May 1, 2010 deadline to be effective August 1, 2010:

1. Transamerica Life, **flex eligible** Cancer policy

Existing Policy	Enhanced Policy
CP500219/LPC01LA	CICAN2LA

2. American Heritage Life's request to add a rider option to the soliciting Cancer policy (CP10) was accepted to be implemented August 2010 and will be eligible for flex (pre-tax) July 2011. No agency action is necessary.
3. National Teachers Associates Life's request to increase the maximum income replacement benefit for the soliciting Disability Income policy (GRD-6003-LA (5/99)) was accepted to be implemented August 2010. No agency action is necessary.

4. Pre-Paid Legal's request to add a rider option (Safeguard for Minors) to the soliciting Identity Theft policy (Identity Theft Shield) was accepted to be implemented August 2010. No agency action is necessary.

There will be no changes to the product descriptions or wage types in eEnrollment/ISIS HR as these are enhancements to specific policies under the existing product.

Vendors will advise employees of the enhanced policies by letter and/or during consultations. Agencies should refer employees to OSUP's "For State Employees", Statewide Vendor webpage at the following web address: http://www.doa.louisiana.gov/OSUP/statewide_vendor_product_listing.htm to obtain Vendor contact information for applicable vendors. Employees may contact the vendor directly for any questions they may have in reference to the enhancement.

There is no specific agency action necessary for the enhancement to the non-flex policy enhancements. The **flex eligible** policy enhancement procedures will depend on the flex status of the employee.

Current Policyholders Enrolled in 2010-2011 Flex Plan choosing to convert:

- 1) In order to have any premium change sheltered, employees have 60 days from August 1, 2010 effective date to convert to the enhanced policy by signing the State Employee Payroll Deduction Authorization form (SED-4). After the 60 days, an employee can still convert to the enhanced policy, but premiums cannot be sheltered under flex until the next plan year.
- 2) Employees must complete a Request for Change in Flex Plan Election document (form has been provided to the applicable vendor(s)) if they convert to the enhanced policy and wish to continue to have the premiums sheltered under flex. Employees should select "Significant increase/decrease in cost or coverage" for the Qualifying Event.
- 3) Employees must send **both** of the above documents to the vendor by September 20, 2010.
- 4) The vendor will forward the signed copy of the SED-4 form and Request for Change in Flex Plan Election document to the agency payroll offices by **September 24, 2010** to be entered.

Current Policyholders Not Enrolled in 2010-2011 Flex Plan choosing to convert:

- 1) Can pick up the enhanced policy any time during the plan year.
- 2) Do not need to complete a Request for Change in Flex Plan Election document.
- 3) Vendors will forward the SED-4's to the agency payroll offices as received.
